Christ the King Parish

&

St John the Baptist Parish & Missions

Announcement

After consultation with his advisors, Bishop George Leo Thomas has made a personnel change which impacts our parishes.

Father Hugo Lungu, a priest from the Archdiocese of Songea in Tanzania, is being assigned as Parochial Vicar for Christ the King Parish and for St. John the Baptist Parish with St. Albert Mission in Alberton and St. Mary, Queen of Heaven Mission in Superior, while he pursues doctoral studies at the University of Montana.

Father Brian Bergeron is being assigned as Administrator of St. Joseph Parish in Choteau and Administrator of St. John the Evangelist Parish in Fairfield with St. Matthias Mission in Augusta.

The change will become official on September 9, 2015.

Bishop Thomas apologizes that this appointment could not be announced earlier, due to the complexities of working with the international church. Bishop Thomas notes that Father Brian begins his new assignment with the strong foundation provided by Father Fleming and the parishioners at both parishes. And Bishop knows that both parishes will be very welcoming to Father Hugo.

Since Father Hugo is a doctoral student, his time commitments to the parishes will be mainly on weekends. Parish schedules are being formulated and will be announced soon.

Christ the King Parish will have a reception for Father Brian following Masses the weekend of August 29-30. St. John the Baptist and its Missions will have a similar reception the weekend of September 5-6. And we will plan to welcome Father Hugo the weekends of September 12-13 and 19-20.

Do you know your own strength?!?

We ALL have God-given strengths and talents!!!

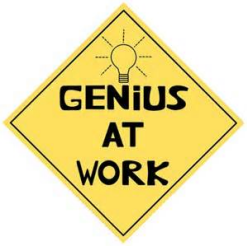
Figuring out how God has gifted and empowered each of us to be Christ in the world is one of our most important tasks as disciples.

Christ the King uses the StrengthsFinder (SF) assessment to help parishioners identify and live out of their greatest talents and strengths. **If you are interested in learning more about SF or taking the assessment, please contact Kirsten at khangas@ctkmsla.org**

SF identifies 34 different talent themes that help people understand themselves and others more fully. Each week we will explore one of the themes.

CONSISTENCY - People especially talented in the consistency theme are keenly aware of the need to treat people the same. They try to treat everyone in the world with consistency by setting up clear rules and adhering to them.

The GENIUS and BEAUTY of CONSISTENCY



Your genius strength of Consistency involves both the way you think and process information and the way you see what is fair and equitable. Whereas others often take a long time to determine what is fair and equitable, to you it is obvious. You can quickly determine what should be done so that problems are solved in ways that treat everyone in a just and equal manner. This process of determining what is equitable often involves processing a great deal of information. But the genius of your Consistency talent sorts through information and comes to equitable decisions so quickly that you may not see anything special about what you do because you do it with such ease. In your relationships, you strive to treat everyone equally and consistently. This helps you win the confidence of others. You are a great, fair and just thinker because of your Consistency talent.

Some CTK parishioners who are high in CONSISTENCY:

Prayer for those high in CONSISTENCY:
may you celebrate and rejoice in your keen awareness to treat people the same, so that all see their equal importance before God.
