A Message from the Diocese of Helena:

If you receive anything in the mail from the Diocese of Helena that looks suspicious and asks for money but is not a typical monthly pledge reminder statement please contact Glenda at the Chancery 406-442-5820 X 35. (1-800-584-8914) The letter may accurately report the balance owing on a donor's ACA pledge and then ask for credit card information so that a payment can be made. It is fraudulent. Do not respond. Please retain the letter and envelope and contact Glenda ASAP.

Thank you to our parishioners and guests for your contributions.

Do you know your own strength?!?

We ALL have God-given strengths and talents!!!

Figuring out how God has gifted and empowered each of us to be Christ in the world is one of our most important tasks as disciples.

Christ the King uses the StrengthsFinder (SF) assessment to help parishioners identify and live out of their greatest talents and strengths.

If you are interested in learning more about SF or taking the assessment, please contact Kirsten at khangas@ctkmsla.org

SF identifies 34 different talent themes that help people understand themselves and others more fully. Each week we will explore one of the themes.

ARRANGER: People especially talented in the Arranger theme can organize, but they also have a flexibility that complements this ability. They like to figure out how all of the pieces and resources can be arranged for maximum productivity.

The Genius and Beauty of ARRANGER:

The genius of your Arranger talent begins with what you can see and perceive. You can see patterns and perceive how things go together or could go together. Whereas most people only see things as isolated items, you see groupings and connections. The genius of your arranger perception comes to light in that you can take many different items, bits of information, factors, people, and/or events and then see patterns among and between them.

This enables and empowers you to arrange items, facts and information, people, and the many things that must come together for successful events and activities. You are a genius at coordinating people and events because of your Arranger talent. Accordingly you can "multi-task" like few others. You can deal with chaotic situations by seeing how to combine and coordinate as you will see connections and linkages. But the ultimate genius of your Arranger talent is seen in what you do after you have completed a project. You go back and arrange and rearrange in your mind what you did. This results in increased effectiveness and efficiency each time you use your arranger talent.

Prayer for those high in ARRANGER:

May you continue to figure out the best way to get things done in service to God and others.

A THANK YOU FROM THE MISSOULA FOOD BANK:

Dear Christ the King Church,

Our work at Missoula Food Bank can be draining. Every day, we see so many of our neighbors come through our doors for help. Notes like this one remind me why we do this work. And it also fills me with gratitude to you for your support. Your gift of \$8,088.36 helps so many Missoulians as they work through short-term and long-term setbacks.

We couldn't do this without you. Thanks so much for your friendship and support.
Sincerely,

Aaron Brock
Executive Director, Missoula Food Bank

A LETTER TO THE FOOD BANK WITH \$20 ENCLOSED THAT AARON BROCK SHARED WITH US:

Food Bank,

5/20/15

In 2013 I went to the food bank for food. I chose some soup, potatoes and beans. Your staff took over from there and loaded me up with much more. I was first embarrassed and stunned how much more was offered, but really needed what they gave me. I only had to ask for help one time, and now I want to give back to you. I've been there and I understand how important you are to help. Thank you so much!

I have a job now and can finally help someone like me get back on their feet. Pride is our problem as I had supported myself for 46 years without any help but you were there when I really needed it.

Sincerely,

A Grateful Person
