Hello Christ the King parishioners!

My name is James "Tusker" Semling and I am your intern for the next year!

A short bit about me. I was raised Catholic in San Rafael, CA, close to SF by my mom, dad, and younger brother Finn. The biggest influence of faith in my life has been my Mom who is a Catholic High School freshman theology teacher. She is one of the main reasons I am here today. Her faith has always been lived out beautifully amidst hardship and struggle.

I visited Montana for the first time on St. Patrick's day (who is my confirmation saint) and fell in love with Missoula. I went to the U and graduated with a bachelors of science in forestry minoring in fire science in 2017.

It was the summer of sophomore year going into junior year at college that the Lord revealed himself to me. Christ the King became a home for my adult faith life. I was guided by my first two Catholic friends, Jakob Wyder and Riley Helgoe, and was mentored by the Associate Pastor Fr. Cody Williams.

As they say, the rest is history. I spent the last two years discerning with the Franciscan Friars of Renewal in New York. As a missionary I served in a homeless shelter run by the friars in the South Bronx.

It is a privilege and honor to serve ya'll here, please come up and say hi!

Your poor brother in Christ, James
