Dear Christ the King,

At my ordination, I promised a very specific thing to Bishop Vetter: I promised to be obedient to him and his successors. With that in mind, Bishop Vetter has asked me to leave Christ the King and become the Chaplain for Carroll College and Legendary Lodge. It is with both joy and sadness that I leave you all. Joy because the Lord has a specific mission for my priesthood, and there is no greater adventure than doing the will of the Lord in our lives! But I am sad because the Lord has given me a great love for you, His beloved people here at Christ the King. I have witnessed conversions, deep faithfulness, and communal love for one another that I suppose I did not expect as a new priest. In these things, I have seen that the Lord is alive in Missoula and is doing something new for His people through Christ the King. No matter what we see on the news, what the popular opinion of society is, or the lack of faith that we see in the secularist mindset, the Lord never leaves His people. And all of you have been receptive to His call and His grace. This gives me great hope! Hope for the Diocese of Helena, Hope for the Church, and Hope for the world!

With all of that, I wanted to offer you all my deep gratitude for your loving care for me this past year. I couldn't have asked for more. It has been the joy of my heart to come to know you and walk with you toward the Lord as a priest. I will never forget my time at Christ the King, not simply because it was my first assignment, but because of you, the people of God. Know of my prayers for the entire parish and I beg for all of you to pray for me!

In Christ,

Through Mary,

Fr. Tyler
