GRIZ-CATHOLIC MOAB TRIP 2021

Hi there! Genevieve G'Sell here, your campus minister for the University of Montana and Griz Catholic. I'm here to tell you what on earth 29 students of ours did in Moab, Utah this past May. Moab was AMAZING!!

We hiked and mountain biked - led by our fearless leader Fr. Kirby! In addition, some from our group rock climbed Wall St., and we all pushed ourselves beyond the brink of our limits. The community that we had before we left grew even stronger as we aided one another in overcoming our fears.

The first day we enjoyed one another's company in the 10.5 hour drive complete with Chic-fil-A, and two separate car rescue missions (we're all good! - lots of teamwork later). That night, tents went up, burgers were eaten, and your Grizzlies slept hard.

Day two meant that the whole group ventured into Arches National Park. We synced up our music on the ride in for some shared pump up jams. We had Mass in Arches on a precarious rock foundation with a GORGEous view. The hike that day required requesting help from others, as at many points an extended hand was necessary in the leaps and edging around muddy puddles. That night we shared in stir fry and gloried in watching the Heavens' night luminaries (aka epic stars abound in Moab)!

The next day took some of our group to Jeep Arch, while others mountain biked. I don't think I heard the phrase "The Whole Enchilada" more times in my life. I hear it is truly the ride of a lifetime, one a newby was shockingly able to prevail upon. Again, limits were pushed. That night included spaghetti, taking air mattresses down the Colorado, and playing Viking games! This transitioned into Mass and Adoration, with Jesus in the tabernacle nearby all night.

Breakout Day came and this meant a choice. Hike, Bike, or Rock climb. We had two expert rock climbers with us who themselves were impressed and in awe of what our group accomplished that day. That night Father suped up the bikes for a girls gang ride while he ran alongside and tried to teach us what gears were --> definitely a favorite memory made. Later in the evening after tacos, we sat around the campfire and told each other our 1. favorite part of the year 2. favorite part of Moab and 3. what we looked forward to next year as a community.

The trip ended the next morning with Mass and a blessing. Truly Jesus blessed this trip to the max! I shall never forget the memories made and the time shared together. It was a treasure to have experienced the Christ centered love around me the whole trip through and to see how blessed I am to be in this community of love. My soul can only praise the Lord for everyone who touched my life this year and on this trip to Moab.

THANK YOU Christ the King Parishioners for making trips like this happen, for so generously offering your donations, camping supplies, and coolers. The amount of coolers sitting outside Father Kirby's rectory was a tribute to the love and support of this community, and was truly a feat in the history of cooler population.

Thank you again for what you do to make our campus ministry happen and thrive.
May God reward you!

Student Spotlight

Luke Ellinghouse was adopted from Almaty, Kazakhstan at 15 months old, and has called Missoula, MT home ever since! You may recognize him from the Sunday night choir. His favorite thing about #GrizCatholic is that everyone loves one another and it feels like we are a family United through Christ. He loves that Missoula has beauty everywhere and there is a mixture between nature and city that creates a home feeling! His favorite Saint is his confirmation Saint, St. Maximilian Kolbe and his favorite prayer is the Apostles Creed. Luke is still undecided about his major at UM but we are so excited to have him as part of our parish community!
