The Empty Tomb

Without faith, realities that should inspire hope and expectation only cause confusion. Jesus' empty tomb is the sign of the most complete victory, the most extreme love and the most powerful presence. Mary Magdalene, Peter and John all see the empty tomb. But their limited faith needs time to grow and completely accept the great gift that is offered to them. In approaching the mystery of God, I must stoke up my faith. Otherwise, what should cause hope and courage will only wind up becoming a stumbling block for me. Only a sincere and generous faith in Christ enables me to take the circumstances of life in hope, confidence and security.

Volunteer Spotlight

We are so blessed by Matt and Theresa Stergois. Theresa is a very reliable sacristan volunteer and Matt is a passionate lector. Their willingness to share their gifts and talents is inspiring. We appreciate their generosity of time, because we are short of both sacristan and lector volunteers. If you would like to help us contact James at the office 728-3845.

A VIRTUAL, ONLINE RETROUVAILLE marriage help program starts Thursday evening, April 22nd. This program is not group therapy and you will not be asked to share your problems with anyone else. The program (weekend and post weekend sessions) is led by people who have been through the program themselves. They share their own stories of struggles and how they applied the program's concepts, values, and tools to begin overcoming those issues. These experienced people, who have been there themselves, will lead you on your own journey of healing and growth. For information please contact us at 406-761-4830 or register at www.helpourmarriage.org.
