Let us enter the city with God today,  
Let us sing Hosanna to our King.  
To the Son of God,  
riding on a donkey  
with shepherds, tax collectors  
and prostitutes  
with the blind, the lame  
and the leper  
with the abused, the abandoned  
and the oppressed.  
Let us shout for joy at  
Christ's coming,  
and follow the one who  
welcomes the sinner  
and dines with the outcast.  
Let us touch and see as  
God draws near,  
riding in triumph towards the cross.  
Christine Sine

## Volunteer Spotlight

Before COVID, Amy Koski volunteered in the office. She really wanted another opportunity to help out during COVID, so she is helping from her home. She has taken over the scheduling of our Mass volunteers. In addition, she is helping call those who haven't yet returned their census. We could use more help reaching out to people. If you can assist us please call. (406) 728-3845.

## Volunteer Spotlight

Knowing that we are in need of many volunteers, Sam has generously offered to help out with running the slides at the 7pm AND helping with sacristan duties when needed. It's not that Sam needs more to do, he is a student at the UofM. He knows that we are in need of help and has a giving heart. Please consider helping us make our weekend Masses a special celebration for all. To volunteer contact James after mass or call the office.

**CW5 JULIE VACURA**

First Female Sent to Flight School by the State of Montana

Julie Vacura, a CtK parishioner, made history by becoming the first female that the Montana Army National Guard ever sent to flight school!

CW5 Vacura grew up in Missoula, Montana where she would later attend college and graduate with her Master's degree. She began her career with the Montana Army National guard in 1989 as a 91A (which was a combat medic at that time) before attending flight school in 1992 and graduating in 1994. She came back to Montana and flew the UH-1H for the 1214th Medevac Detachment in Helena, Montana.

CW5 Vacura has these words of advice for any aspiring Montana Army National Guard Soliders: "They really became my family and got me through hard times. It really gave me a lot of pride being a part of something really important. Be open to any opportunity in the military!"

Thank you, Julie, for your service.
