## A Year of Growth and Blessings

God sure knows how to bless abundantly—even and especially through the unexpected. A year ago, I could not have guessed that I would be in Montana; now, I can't imagine being anywhere else, and am looking forward to continuing my ministry here. When my team and I arrived this fall, there was 1 student involved in the ministry; just a few months later, we have 30+ in Bible studies, 20 attending our virtual conference, and connections to most of the major fraternities, sports teams, and student groups on campus—in fact, most of my week is spent with students who are exploring what it means to follow Jesus Christ and be part of a Christian community for the first time. In a time when many people are struggling with worry and despair, Jesus has put me in a position to bring hope and joy to college students who are looking for these things, now more than ever. Whether your year has been blessed or difficult, know that your prayerful and financial support of my work has been changing the lives of students here in Missoula.

## PRAYER REQUESTS

Thank you for your prayers for my mission with students, especially...

Prayer #1

For men in the UM fraternities exploring Christian faith and the Catholic Church, esp CTK

Prayer #2

For the campus ministry team as we discern next steps and what we will be doing in the upcoming year

Prayer #3

For a few student leaders we will soon be inviting more intentionally into our mission reaching other students

As always, please feel free to reach out with prayer requests!

# STUDENT SPOTLIGHT:

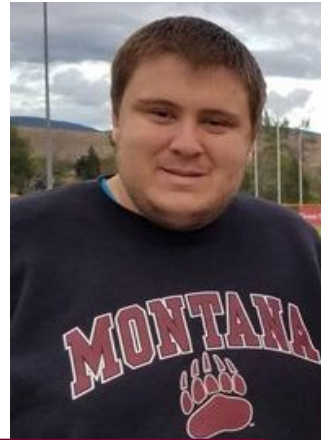

Originally from Sunnyvale, CA, Tanner Leone is a rising senior in Business Management at The University of Montana. His favorite thing about Missoula is bring close to the great outdoors and his favorite thing about Griz Catholic is how much everyone in the community genuinely cares for each other. His favorite Saint is St. Mark and his favorite prayer is the Jesus Prayer- "Lord Jesus, Son of God, have mercy on me, the sinner"

At CtK we love being the home of #GrizCatholic and celebrating the students our ministries serve!

Veronica Farrier comes to us from Kalispell, MT. She has just attained her degree in Exercise Science at the University of Montana. She love's that Missoula is so bike friendly. She attends the young adult women's bible study. She is a hard working student who is dedicated to her Catholic Faith and wants Jesus to be a part of everything in her life. Her favorite saint is St. Therese of Lisieux. Her favorite prayer is the office of readings. Her favorite thing about her involvement with Griz Catholic is the opportunities for Adoration.
