Street Walks

BECOMING THE HANDS AND FEET OF JESUS
A REFLECTION FROM OUR INTERN JAMES SEMLING

For the last academic year, Christ the King, has been sending out brave college students and parishioners to encounter the poor of Missoula twice a week. On these encounters, the only agenda is to love the people we meet and share the light of Christ.

On one of these outings, because there were a few options about we should go, we prayed asking the Holy Spirit to guide us. One of our FOCUS missionaries, Jessica Figoni, exclaimed, "Let's go to Greenough Park Bridge!"

Upon reaching the site, we encountered a man and his dog laying under the bridge. We cautiously approached and introduced ourselves. As the tension started to break, he happened to have recognized Jessica from a street walk earlier in the year. Our new friend Michael opened up to us that he had been coughing up blood for the last 24 hours. We tried to get him to stand up, but he was too weak. Michael did not want to go to the hospital and get the treatment he needed because the hospital did not allow dogs. After some quick discernment, we decided we could hold onto the dog for this man while he went to the hospital and that God would provide.

Fr. Kirby generously allowed the dog to stay at the rectory and Michael's life was saved at Saint Patrick's Hospital. Two weeks later, the dog, Nikki, was reunited with Michael.

The miracle continued when speaking to Michael's father, Michael Senior. He was so impressed by the act of charity and the providence surrounding his son's life being saved he asked us "What religion are you guys? Because whatever it is, I'm joining." Not even a week later he invited the local priest of Hot Springs Montana over to his house to learn about our faith. May Jesus Christ be Praised!

If you would like to join our street walks on Monday from 1:30-3:00PM or Friday from 3:30 to 5:00PM, Contact Genevieve at the office (406)728-3845

Volunteer Spotlight

Judy and Joe Perine are keeping our plants alive. Their dedication is amazing. Two weeks after a total knee replacement for Judy, they were back to make sure the plants got taken care of. Judy and Joe, thank you from the bottom of our hearts.

There are so many opportunities to volunteer at Ctk. Please call Shari if you are interested in getting more involved.

AN INVITATION
TO SUPPORT MISSOULA INTERFAITH COLLABORATIVE'S
ORGANIZING WITH COMMON GOOD MISSOULA

ZOOM event on Thursday,
June 3rd 12PM-1PM

A note from Laure Pengelly-Drake

I want to invite you to an exciting event, supporting an organization that I care about. As you may know, the Missoula Interfaith Collaborative (MIC) supports a variety of programs in Missoula, including Family Promise, an emergency housing program for homeless families; the Housing Advocate Network, which helps people get into housing; Missoula Works, a supportive staffing agency; and MIC organizes with Common Good Missoula (CGM), a broad-based membership of 30+ non-profits, community organizations, and interfaith congregations committed to working together to address systemic social challenges. On Thursday, June 3rd, from 12pm to 1pm on Zoom, MIC is hosting a fundraising event to support their organizing work. I hope you can join me. This afternoon event promises to be not only informational, but also inspiring, and it will give you an insight into why this organization is important to me. There is no minimum donation; all I ask is that you join me to see if the work of MIC's organizing inspires you as it does me. Please, let me know at laure.pengellydrake@gmail.com by May 25 if you can join me.
