Join us during lent. Starting on
March 9. Every Wednesday
at 6PM. Soup and Group.

What: "Growing Disciples" is a series of Video or Audio presentations which have been selected for us to review and contemplate at home, one per week, and then meet to discuss them Wednesday evenings here at the parish over a simple meal of soup. Each video will be accompanied by a brief written narrative with a few probing scriptures and questions to consider. The presentations have been selected due to their stimulating content and delivery, which has the potential to change our lives. I speak from personal experience, having already seen transformation in my own life.

When: The first video will be posted on the CTK website and sent to each registered participant on Ash Wednesday March 2. The first "Soup & Group" to discuss that video will be the following Wednesday, March 9, gathering here at the parish Lower Center from 6-8 pm. Soup is served at 6 and discussion starts at 6:30. This will repeat each week with a new video for 5 weeks through Wednesday April 6, leading into Holy Week. The series has the potential to continue after Easter, if there is interest.

Where: Your review of the weekly video will occur in your own home, on your electronic device of choice, with a link provided for you each week. The Soup & Group gatherings will meet downstairs in the Lower Center. If you prefer not to gather with the large group, you can still participate in the privacy of your home by just reviewing and contemplating the presentations. However, since we can all learn so much from each other, we highly encourage gathering together in fellowship.
