There was a great response to summer gift request. Thank you to all who have sent an extra gift in. Your generosity is very uplifting. Every gift is a blessing.

Christ the King Parish believes in the spiritual power of interfaith communities and supports Bishop Vetter and the Montana Jewish Project (MJP). The MJP is an all-volunteer non-profit organization based in Helena, Montana. Their mission is to reacquire Temple Emanu-El from the Helena Catholic Diocese, as supported and promoted by Bishop Austin Vetter of Helena, to establish in it a statewide center for Jewish life and learning.

MJP will coordinate with Montana's Rabbis and congregation leaders to offer programming, events, speakers and education for the state's Jewish individuals and communities working across the state for interfaith dialogue and learning. Their goal is not only to build acceptance for Jews in Montana, but also to work across religious institutions to fulfill the key Jewish principle of Tikkun Olam ("repairing the world.")

MJP desires to buy the historic synagogue, Temple Emanu-El located at 512 N. Rodney St, behind the Helena Cathedral. As of the beginning of August 2022, MJP is still in need of raising \$150,000 of the remaining \$925,000 that Bishop Vetter has agreed to sale the property below market value.

Please consider a generous donation to MJP to help them purchase Temple Emanu-El.

You can make your donation on-line using the link at

[https://givebutter.com/MJP\\_HelenaCatholicDiocese](https://givebutter.com/MJP_HelenaCatholicDiocese), or mail your check to Montana Jewish Project, PO Box 491, Helena, MT 59624. Please add in the memo Helena Catholic Diocese, so that MJP is aware of your generous donation supporting the Diocese goal.
