In Prayerful Preparation for Lent

you must return to your God; maintain love and justice, and wait for your God always
 Hosea 12:6.

Prayer

The Sunday liturgy is the greatest form of prayer because together we receive the gift of the Holy Eucharist — the very real presence of the Risen Christ.

Throughout the season of Lent, we are called to deepen our prayer life. For some of us, this means beginning a habit of daily prayer, setting aside time each day to share our hopes, joys, fears and frustrations with God. Praying first thing in the morning, while the house is still quiet, or talking to God while on your commute to work are simple ways to integrate prayer into everyday life. Praying the Rosary, visiting the Blessed Sacrament or attending a daylong silent retreat may bring you to new places in your relationship with God.

Fasting

Lent is a time to fast from those things or habits that may have become a roadblock to our relationship with Christ.

In the Western world, fasting from food is a reminder of our abundance and a way to walk in solidarity with people around the world who struggle with daily hunger and starvation. Pause to remember families that face hunger as you fast.

Limiting social-media exposure or fasting from the 24-hour news networks are ways to quiet our minds and open our hearts to transformation. We might also strive to fast from anger, road rage, workaholism, judgment or jealousy.

Alms Giving

Sharing our material goods is often just the beginning of real Christian giving.

The Lenten call to almsgiving means making the needs of other people our own. One of the central lessons of the cross is compassion; the heavy burdens we carry help us to appreciate the suffering in others.
