## Christ the King Student Spotlight

### Lauren Orozco

Hello, my name is Lauren Orozco. I am originally from Cypress, California, but came to the university for school. I am a Junior studying Anthropology with an emphasis in Archaeology. I am also studying Philosophy. I really enjoy Missoula because there is so much to do. I also enjoy coming to Catholic Campus Ministry events at Christ the King. From the very start, I felt very welcome by all the parishioners and college students. It

was nice to be accepted into the community so easily. It made being away from family and friends manageable. I have made some really great friends through Catholic Campus Ministry. Something interesting about myself is that I have played the trumpet for a while and have played in Carnegie Hall in New York City.
