**Host Families Seriously
Needed!**

Loyola Sacred Heart High School is blessed to have the opportunity to include international students as part of our student body. Part of this experience includes the need for host families. We have a serious need for families to host for the 2018-19 school year. We currently have two female students from Asia that will be attending this fall and need a place to stay. If this is something you think you might be interested in, please contact Kathy Schneider, Principal at kschneider@mcsmt.org for more information. Even if you think you might only be able to serve as a welcome family for a short period of time, this would be extremely helpful and greatly appreciated!
