How healthy is our parish??? It's time for a check up! This February we will again be doing an **ME25 survey (Member Engagement 25 questions)**. This survey will help us understand our current health (measured by engagement), and help us plan for the future.

You will have opportunities throughout the month to participate. It is extremely important that every member over the age of 18 participate in the survey. You can also complete the survey online on our website: ctkmsla.com.

If you have any questions at all, please contact Kirsten at khangas@ctkmsla.org.

As many of you have noticed, there has been a great
increase in scams both over the phone and through
email. One recent scam even posed as our own Fr. Jeff
and tried to solicit funds. The CTK team wants to
remind and reassure you that Fr. Jeff, Fr. Cody, and
everyone on the team will **NEVER** request money or
gift cards over email or text message. If you receive
such an email/message, please delete it immediately.
Thank you, and stay safe!

**This Week: Is there any evidence for
God or Jesus?**

Dear CTK Family,

How can we best accomplish what God has in mind for us? How can we best use the gifts and talents of the people who are a part of this parish community?

These are important questions, and we have been wrestling with them for quite some time at Christ the King Parish.

And we want to hear from each of you. In the coming weeks, we will conduct Gallup's Member Engagement (ME²⁵) survey, a census of all adult members of our parish that will give you the opportunity to share your opinions about some of the key aspects of our parish life.

The survey will be administered by Gallup, an independent research company known for its understanding of people and their opinions. Although most of us know Gallup for its polling work, the organization has been listening to people's opinions and studying successful organizations for several decades.

Your opinions are completely confidential; Gallup will not reveal any individual responses to anyone. After we have received the results from Gallup, we will use them to continue a dialogue about our parish and how we can more effectively accomplish our mission. We all have a stake in the opportunities and challenges that lie ahead.

The success of this effort hinges on the completion of the survey by each one of us who is at least 18 years of age. We all share equally in our responsibility to reach the goal of 100% participation by our parish. Your opinions are important and need to be heard.

This is an exciting time for our parish. We are taking important steps toward fulfilling God's purpose for us now and in the years to come. The process and subsequent dialogue will help us all in that effort.

In Christ,

Is anyone you know preparing for their marriage in the next 6 months to a year? There will be an Engaged Encounter weekend to assist couples with their marriage preparation in Butte on February 8 - 10, 2019.

What is Catholic Engaged Encounter (CEE)? It is an in-depth, private, personal, marriage preparation experience within the context of Catholic faith and values.

Contact Bill & Ruth Hughes, (406) 459-0289, billandruthhughes@gmail.com or your parish office.

Be a part of a special devotion to our Blessed Mother. This year's Knights of Columbus Marian prayer program focuses on persecuted Christians throughout the world. Service will include display of icon, song, rosary, and reflection. All Knights, families, and parishioners are welcome.

The Issue:

The cost of housing compared to average living wages in Missoula is making it difficult to afford to live here.

Why it matters:

- Low-income Missoulians are not able to afford rent and are losing housing
- People with barriers to housing are not able to get into housing at all
- Median-income Missoulians are moving out of Missoula to afford places to live

Why Show Up?

- 1) To share your story about these realities and how they have impacted you and your loved ones.
- 2) To learn and provide insight into potential policy solutions.
- 3) To engage City Council Members on solutions moving forward.

Where are you going?
