Catholic Youth Ministry Update

Winter 2019

Hello! I know you have been busy, and so have we! I wanted to give you a little update on all that has been going on with youth ministry, like:

- Taking on the Corn Maze,
- Visiting a Haunted House,
- Seeing *Casting Crowns*,
- Big Sky Break Out Boxes,
- Christmas Caroling ,
- Lighting the Menorah,
- And much more!

At Har Shalom learning from our new friends how to play dreidel

Top photo: Students carving pumpkins

All of our gatherings involve *doing*, and *learning*, and *sharing*. The pumpkin carving night is a good example. The youth were asked to visually represent on their pumpkin something that hurt them. Carvings varied from images of broken hearts to words like "regrets" or "loneliness." Then we talked about the thing that makes jack-o-lanterns beautiful: the light that shines through them! Students were

given a candle and asked to write on the outside of their candle the things that bring them joy, or the things Christ uses to bring them the light which is Himself. The most popular thing written on the candles? You guys! Family. Good job team! This activity was meant to remind them that even those hard things can be made beautiful with Christ, the light that shines through them. And, long after those things have rotted away, that light will still shine.

We also had opportunities to serve. We put on a pancake breakfast as a fundraiser for our program that was very successful! The youth were very helpful in both preparing and serving the food and were a delightful presence to all who attended. Each year we do a YES (Youth Engaging Service Day) and we help to rake and clean the yards of people in our parish communities who may need it. This year was a great success. We had fun helping rake the yards of 6 people in our different parish communities.

Raking during our annual YES to service day!

We saw many new faces toward the end of November for our breakout box night. Students were split into groups and were asked to break into a box. In order to do so they had to work together to solve puzzles and crack the code! All groups were successful, and we had a great discussion about how to get into the kingdom of heaven. Students were very insightful during the discussion about the puzzles and codes we need to work through together in order to get into that box.

This just scratches the surface of the amazing things we have been doing!

Photos of groups during the breakout box activity and our Christmas card shoot!

I have been so fortunate to have the opportunity to work with these kids, and I know there are so many more out there that I am still so excited to meet. If we haven't met in person yet, let's change that! Give me a call. I don't want all of you to miss out on the incredible opportunities ahead...

- Our second annual **High School Lenten Retreat** is coming up March 8th and 9th. This is an overnight retreat at St. Anthony in Missoula. This is an excellent opportunity to fulfill your Confirmation retreat requirement if you have not yet! See Shai for details!
- Also coming up in March is the annual **CYC (Catholic Youth Coalition) Convention**. On March 22-24th, high school aged young people from all over the Diocese will gather together in Helena to celebrate their faith. A great opportunity to meet other Catholics from all over, hear from nationally renowned Catholic speakers, and just be together! Watch for details as the date approaches!

Thanks for your support of our youth ministry! Please know there is always a spot for you at our table. Drop on by! I'd love to see you!

In Christ,

Shai LaFleur
