What does it mean to be a Newman Center?

The "Newman Movement" in the United States began in 1883 at the University of Wisconsin, and was focused on helping Catholics live their faith on campus amid perceived anti-Catholicism. This led to the first Newman Club being established at the University of Pennsylvania in 1893. From the turn of the century through World War II, these clubs became increasingly popular across the country, though they were usually characterized by a hostile attitude towards the academic world. After Vatican II, Newman Centers evolved to become lynch pins in Catholic Campus Ministry, known to be welcoming spaces of ecumenical and interfaith dialogue, and rallying posts for social justice efforts. They improved relationships with the academic community and are recognized for their "remarkable diversity of legitimate styles and approaches" to match "unique situations at particular colleges and universities."¹

Open House(s) on Burlington Avenue

The Faith Relations Committee of Habitat for Humanity of Missoula invites you to tour our homes in the Franklin to Fort Neighborhood in the 2200 Block of Burlington Avenue.

Sunday October 8th from 1- 3 pm.

Featured homes are the 2017 builds with the Ellison and Janes families on Burlington Avenue, as well as viewing the future location of our 2018 builds around the corner on Schilling Street.

This is an exclusive opportunity to not only tour these beautiful and well built homes, but to meet and talk with the families who will soon be moving in.

Area churches and faith communities have been among the many important partners in our ministry. Working with HFHM is one way for a congregation to be servants of God's love through a fun and valuable partnership to put faith into action.

Our 2017 building projects will provide 7 children and their parents an affordable, stable, and secure place to call their own, built with their own hands and the love of the Missoula Community.

Directions: From Reserve Street, turn east on Mount Ave., then right on Eaton and left on Burlington. From Russell Street, turn west on Mount, left on Schilling and right on to Burlington.
