"Lent is an opportunity to deepen our faith and grow closer to God. Last year I chose to participate in the Growing Disciples series for lent. After watching a short video at home, I would ponder how God was working in my life. There was a short weekly meeting to share insights with others in the program.

Paying attention to God created peace in my heart and a lasting calmness in my life. Unlike giving up chocolate, Growing Disciples made an abiding difference in my relationship with God. It is easier to see the presence of God in others so my daily interactions are more composed. I end my day with an inner tranquility. If you feel called to Growing Disciples I encourage you to look deeper."
