The work of the  
Diocesan Pastoral Council  
moves to our Parishes

## *Be part of the Pastoral Planning Process*

*Plan to attend your  
Parish Input Session  
Everyone is welcome!*

*"Shepherd us in ministry and mission" Diocesan Prayer for Planning Process*

### *Parish Preparation Process*

## *Be a part of the Diocesan Pastoral Planning Process!*

So that our parish can be at the table with helping to set diocesan directions and priorities that will guide our Diocese for the next five years, you are invited to participate in the **Parish Input Process**. All are invited to participate and to bring your ideas and insights to our parish table. The priorities recommended by our parish will be part of the deliberations and discernment for the Diocesan Pastoral Council as it moves toward crafting a new Diocesan Pastoral Plan.

*Please plan to join us at one of the two listening sessions:*

**Option 1: Tuesday, March 28th from 6:00-8:30 PM**  
*(In place of our usual G.I.F.T. Night)*

**Option 2: Sunday, April 2nd from 12:30-3:00 PM**

All parishioners and students are invited, and encouraged, to participate in this dialogue about how we can best use our resources to serve each other and our communities. Both sessions will be held in the Lower Center.

# Where does the money from "Take Out For Guatemala" go???

Here are just a few stories of people who are being served by the Clinica Maxena and your contributions.

The people of Guatemala are continuing to see greater poverty, hunger, and unemployment. There are few patients who can afford medicine and doctor consults. Clinica Maxena exists to serve the poor, so they are trying to make medicinal plants more available and inexpensive, which are a part of the Culture of the people they serve. Juan Guarchaj promotes medicinal plants and Reflexology and is a knowledgeable practitioner that has served the Clinica Maxeña since 1996. The clinic continues to maintain its Medicinal Plant Garden of over 100 Medicinal Plants and 22 Nutritive Plants.

FAITH IN PRACTICE, a religious, non-profit organization recently held a mobility clinic for communities of the region. There are many people in the area who are disabled and handicapped. Purchase of wheel chairs is impossible for most patients. Five patients from our area received new, durable wheel chairs adjustable for weight and growth. Magdalí, Director of Clinica Maxeña accompanied and transported our patients to the clinic.

Josue is a wonderful child of 11, who is suffering from CANCER and will have surgery next week. He will have a limb amputated at the pediatric cancer hospital in Guatemala City. He will be accompanied by a staff member of Clinica Maxena. He is a very happy and optimistic child from a small village near Santo Thomas, and in the 6th grade at his community school.

Magdalí, Director of the Clinica Maxeña, and Sheila visited a family, who are poor and the Mother died in child birth. The father looks for day work to support his family of five children. Magdalí is God Mother to the infant, Lorenzo. Lorenzo is part of our Nutrition Project for malnourished infants, who need support of formula and medical visits.

## Christ the King Student Spotlight

### Marin Sewell

Hello! My name is Marin Sewell. I am from Deer Lodge, Montana, so not too far from Missoula. I am a Sophomore at University of Montana. I am studying Vocal Performance. I enjoy my major a lot because of all the fun events that happen within the Music Department. Plus, everyone is really close and friendly, just like Catholic Campus Ministry. I like being able to

visit with my fellow college students who share the same faith as me. I enjoy being able to share the everyday college experiences with them. I am very involved and active within Christ the King. I am part of the Choir for the evening Mass on Sundays. I also work in the Nursery. My favorite part of G.I.F.T. Night is visiting with friends and soup nights!! Some fun facts about myself are that I have played the French horn and trumpet for eight years.
