What does it mean to be a Newman Center?

Blessed John Henry Newman (whose name is linked to ministry centers all over the world) is a nineteenth century Cardinal who converted to Catholicism in the mid 1800's and became a major theologian and academic in modern Church history. He has been called the "absent Father of Vatican II" due to how influential his writings on religious liberty, scripture, and the vocation of the lay people were to the shaping of the councils' documents.

Want to learn more about Cardinal Newman and our mission as a Newman Center?

Don't miss the first in a new lecture series:

"John Henry Newman and the Search for a Catholic Way of Knowing"

Thursday, October 3rd at 7 PM at Christ the King.
